(SBU) Polcouns and Poloff met with Shazryll Zahiran,  
Principal Assistant Secretary in the MFA's Disarmament and  
Non-Proliferation Section, on November 25 to deliver reftel  
requests to support, and possibly co-sponsor, the Angarsk  
nuclear fuel reserve to be proposed at the November 26-27  
IAEA meeting. Shazryll replied "we are very much supportive,  
as we understand the importance of this issue." However,  
when asked if the GOM would be willing to co-sponsor the  
motion, he replied that he did not believe the GOM could  
accommodate that request. Post will report any additional  
information should the MFA contact us before the IAEA  
meeting.
